DEDICATION

We respectfully dedicate this
issue of the Gleaner to
OLIVER C. LAWSON

who has faithfully guided
this graduating class through
three fine years of junior
high school, entering with
them in the low seven and
leaving us in the high nine.

Spirit of the Low Sevens

With its buildings big and imposing,
Garfield had us all supposing,
Here there would be no time for fun,
With so much hard work to be done.

As we more and more familiar grew,
And it wasn't quite so big and new.
We became adapted to all the work,
And from it we would never shirk.

Now our teachers and classes we enjoy,
And find if we great diligence employ,
There are assemblies, rallies, pictures, too,
Games and many other things to do.

What if upper classes do call us scrubs,
We are good sports and can take the rubs,
For soon we will in higher grades be,
And call the newcomers this with glee.

HIGH SEVENS

The winds may blow
The sky may snow,
But not a high seven
Ever will know.

The birds may call
The rain may fall,
But not a high seven
Will ever recall

The breeze may sigh
And the birds will fly,
But not a high seven
Will ever try.

To remember the times
They have given up play,
Doing homework and study
All of the day.

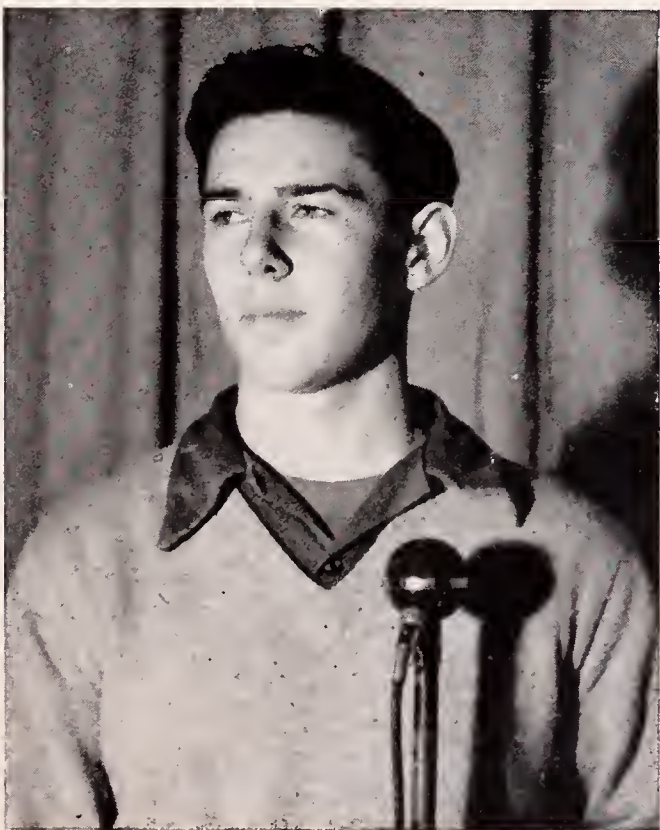

Mary Van Deusen

Principal's Message

"As we come to the end of the Spring term of 1943, we find many changes have taken place. In these days of tumult, changes are ever present and it is the individual, the family, the state and the nation that can adjust itself quickly and wisely that will continue to progress and go ever forward. As our changes come, let us meet them with understanding and make them with agility and go forward in life knowing we are fortunate to be living in a land such as ours at a time like this. I wish you all a very pleasant vacation and hope you will return to Garfield in the Fall to start the new term ready to make Garfield an even better school next year."

Oliver C. Lawson

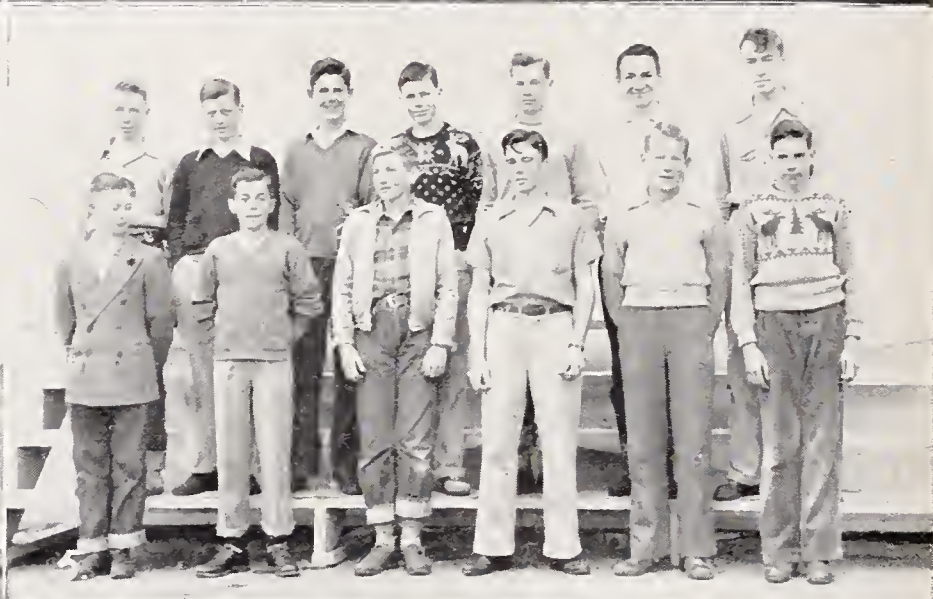

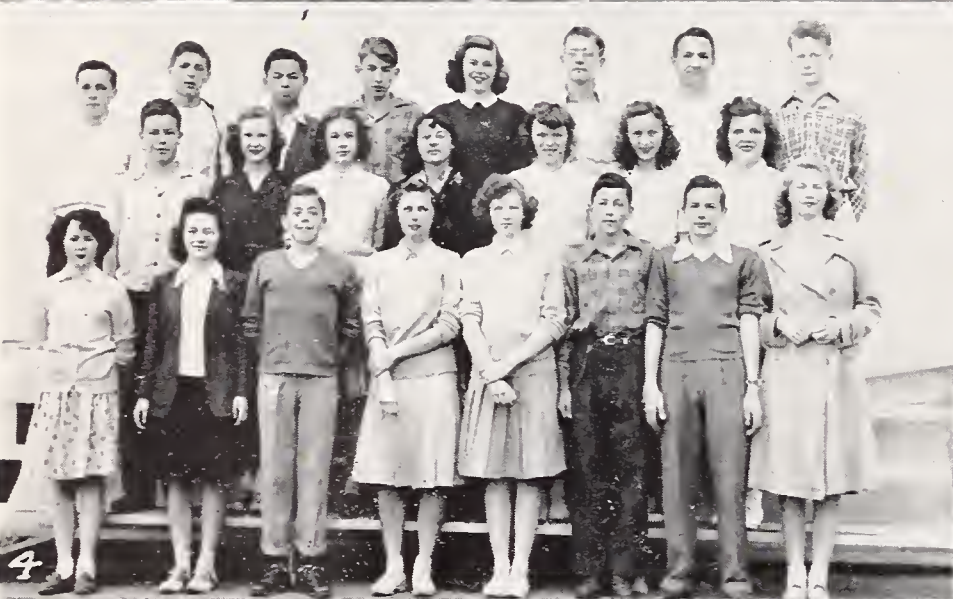

Student Body President Message

In a school as large as Garfield, good organization is necessary to have a democratic student government. This past term, with the strain of war bearing heavily on all the students, Garfield should be proud of itself to be the leading example of a democratic school.

We have been very successful in our G.S.A. card sale this term and Garfield had made itself one of the outstanding schools in the state, for selling bonds and stamps.

As president, I wish to thank the Garfield Student Body and Executive Board for their coöperation in making this one of the most successful terms in the history of Garfield, and it is my wish that the future will place Garfield as the leading Junior High School in California.

Our student government, consisting only of students, has done an excellent job this term in presenting educational entertainment, governing, and cooperating with the faculty. We may be especially complimented on our bond sales which topped \$29,000, a record that any school would cherish! This year our government has had all the spirit and zeal that could have been desired. We leave Garfield with a memory of our just and good student government.

This Spring the Student Leaders have had an important job, not only keeping order in the halls, but also seeing that they were clean. Garfield should be proud of them for the fine job they have done.

THE LOW EIGHTH

We buy G.S.A. cards and help in the war,
We go collecting scrap from door to door,
We help in the bond drives as best as we can,
To take our boys to where Hitler ran.
Yes! We're the Low Eight and we try with all our might
For we want to get in and help in the fight.

Now we Low Eights have another side too,
It's not all on the serious side so true.
We work and yet stop for play
We're athletic in every way.
Miss Collar's advisory wins in the races,
Both boys and girls run fast paces.
Miss Lauren's won the Noon League Test,
Athletes strong, they prove their best.
For glamor we have Mr. Hawkin's gals,
Pretty and charming and best of pals.
Handsome are the boys of Van Matre's class,
With the alluring charm that will always pass.

BOND DRIVES

This year Garfield has set new records, still to be broken. We completed two successful Bond Drives, both amounting beyond the most optimistic speculations. Altogether, the amount to approximately \$29,000; over \$18,000 in the first one and over \$10,000 in the second. The former amount went toward the National Schools Jeep Campaign and the latter toward the building of the "U. S. S. GEORGE BERKELEY." Both quotas assigned to Garfield were over subscribed, thus showing the spirit with which Garfield is backing up our fighting men. For this splendid record, we received a letter of congratulations and a certificate for twenty jeeps from the Secretary of the Treasury, Henry Morgenthau. Garfield should indeed be proud of the Berkeley Public Schools' Bond Campaign.

-----Paul Green, Treasurer

The H.9 and L.8 Baseball Teams beat in the inter-class series and played Burbank winning all games.

In track, four records were broken. Diane Brackman won the most points with two broken records and two first places. She broke the 85 lb. Baseball Throw for distance and the 85 lb. Basketball Throw for distance.

Nineteen H.9 girls out of a class of 142 girls won the Garfield pennants. They must earn 125 or more points in the six terms at Garfield to get a pennant.

B. J. T. P.

The Junior Traffic boys have done a fine job this term. They are at their posts rain or shine every morning and every afternoon. On Monday mornings they drill with Officer Stevens of the B. P. D. Some of the credit for their punctuality, alertness, and courage is due to Mr. Phillips, their advisor.

GIRLS ASSOCIATION

To get acquainted with the girls of the Low Seven we had our semi-annual Big-Little Sister Program. By the end of the program most of the Big Sisters had adopted their little Sisters for keeps.

We had a variety of other programs this term including; Amateur Hour, Fashion Show, U. S. O. Book Program, Truth or Consequences show and a large Talent show to end the term.

This term has been loads of fun for me and I hope you have enjoyed it too.

-----Mary Meadows, Girls Assoc. Pres.

BOYS ASSOCIATION

A movie, "Look to Lockheed for Leadership," was procured for the Boys' Association. It showed all the famous Lockheed models, the Ventura, the Knudson, the Lodestar, the P-38, and now they are constructed and flown. "The U.S. Secret Service," a March Time movie was shown at the last meeting.

A sizeable portion of the B.A. funds went towards Mr. Lawson's gift from the student body.

TRACK

We had a successful track season this year with track meets with Willard, Burbank, El Cerrito, Albany and Berkeley.

All in all, we won championship in baseball, basketball, and softball, finishing up an outstanding spring term at Garfield.

THE GARFIELD BAND

What a band! Garfield's band has seventy-nine members who know their instruments and how to play them.

The Bond Rally on April 2nd was the only chance our band had to play this term and it was an inspiring one. Their performance gave great spirit to the rally.

THE GARFIELD ORCHESTRA

Anything from symphony to swing! Our Garfield Orchestra can do that and much more. It has encouraged and developed the musical ability of the students.

This term they certainly have lived up to their reputation of fine music and musicians. They played for two assemblies, under Mr. Minzyk and all of them took pleasure in learning and practicing numbers to play at assemblies.

The Girls' Glee was all out to help in any way they could this term! One of their noblest performances was singing for the patients of the Berkeley General Hospital. The two clubs together gave a vaudeville show and their executive boards acted as judges for the participants.

They had a combined picnic and dance. Mrs. Young is the able director of both groups. She does a grand job and worked hard to make Garfield's Glee Clubs something of which we can always be proud.

A CAPPELLA

Garfield's A Cappella is just about the best A Cappella that you can find anywhere!

Two of their appearances this term were singing for the P.T.A. mothers in April and singing at the Epworth Methodist Church. Both times they gave grand performances!

The A Cappella had a barbecue and dance and all the students had a lot of fun!

Mrs. Smith and the members have worked together to make the A Cappella the fine organization it is.

The Spirit of the High Eight

This grade is full of vigor
With cheers and laughs galore,
They have their fun and playtime,
And studies aren't a bore.

They're busy in the classrooms,
They're active in the sports,
With football, baseball, track-teams.
They're great on tennis courts.

They keep a grand old spirit,
They're level-headed, cool,
They're really quite a grand young gang
To have around the school.

A class that's full of brightness,
That keeps up Garfield's vim.
They do their part to do their job
To keep our school in trim!

High 9's

In this world of war and strife,
We Seniors lead a hectic life,
Working now from sun to sun,
We never get our homework done.

We think we're nothing but the best,
And don't mind telling it to the rest,
But soon from proud Seniors we,
Will once again poor freshmen be.
